I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I take two compounded natural prescriptions
on a daily basis. Both of these add
quality to my life. I depend on these
natural hormones. Do not restrict
my ability to get these prescriptions
by mail across state lines.
